# Eco-Family Photo Contest

## Bring Green to Your Home

### Categories and Prizes

**[\$25,400 Grand Prize]**

As determined by our judges, the winning family in Naperville will receive the newest and most energy efficient Carrier system ever, being introduced Fall 2011. This system includes a new Infinity modulating 98% efficient gas furnace, GreenSpeed Inverter technology, Infinity heat pump, next generation Infinity control, and evaporator coil. In addition, the family will receive an EnergyStar rated Kenmore Refrigerator, Dishwasher and Laundry Pair from Sears. Plus, the winner will be able to fill their new refrigerator with a \$100 Whole Foods gift card and can identify more ways to increase efficiency with a Home Performance test conducted by Air-Rite Heating and Cooling.

#### Inside the Home

#### Outside the Home

#### Away from Home

Examples of Inside the Home are: Green Cleaning Products, Resource Conservation or Recycling efforts.

Examples of the Outside the Home category are: Organic gardening, composting or use of a rain barrel.

Examples of Away from Home are: walking/biking, use of public transportation, or use of reusable grocery bags.
